

WHAT WILL YOUR ScrumMaster STORY BE?

Certified ScrumMaster® (CSM®)

Your narrative begins with foundational knowledge of Scrum and how to use it to help your team.

Advanced Certified ScrumMaster (A-CSMSM)

The next chapter is focused on real world challenges, better dialogue, increased engagement, and scaling Scrum beyond a single team.

- Hold an active CSM certification
- Complete an A-CSM offering
- Demonstrate at least one year in the role of ScrumMaster

Certified Scrum Professional® -ScrumMaster (CSP®-SM)

Your story unfolds as you find practical solutions and improve your implementation of Scrum in the workplace.

- Hold an active A-CSM certification
- Complete an approved CSP-SM offering
- Document a minimum of 24 months in the role of a ScrumMaster

The ScrumMaster Journey

Do you want to lead by helping rather than coercing? Write your own ScrumMaster future with Braintrust Consulting Group, a worldwide leader in Agile transformations.

WHAT WILL YOUR Product Owner STORY BE?

Certified Scrum Product Owner® (CSPO®)

It's in your character to focus on the business side of projects. Establish foundational knowledge on monitoring projects and prioritizing to satisfy all stakeholders.

Advanced Certified

Scrum Product Owner (A-CSPOSM)

The plot reveals how to manage multiple business initiatives, communicate effectively with an Agile mindset, and learn to validate business value.

- Hold an active CSPO certification
- Complete an A-CSPO offering
- Demonstrate at least one year in the role of Product Owner

Certified Scrum Professional® -Product Owner (CSP®-PO)

There's never a final chapter with Agile learning. As a CSP-PO, you'll solidify your collaboration knowledge, entrepreneurship, financing, and customer development.

- Hold an active A-CSPO certification
- Complete an approved CSP-PO offering
- Document a minimum of 24 months in the role of a Product Owner

The Scrum Product Owner Journey

If you like to create a product vision, organize projects, and make sure the best possible job is done to delight the customer, your Certified Scrum Product Owner path is waiting.
