

ARE YOU READY TO TAKE THE NEXT STEP?

WHAT WILL YOUR SCRUMMASTER STORY BE?

Certified ScrumMaster® (CSM®)
Your narrative begins with foundational knowledge of Scrum and how to use it to help your team as a ScrumMaster.

Advanced Certified ScrumMaster (A-CSMSM)
The next chapter is focused on real world challenges, better dialogue, increased engagement, and exploring the four hats a ScrumMaster wears (Coach, Mentor, Facilitator, & Trainer).

- Hold an active CSM certification
- Complete a 2-day A-CSMSM class
- Demonstrate at least one year in the role of ScrumMaster

Certified Scrum Professional®-ScrumMaster (CSP®-SM)
Your story unfolds as you find practical solutions and improve your implementation of Scrum in the workplace.

- Hold an active A-CSMSM certification
- Complete an approved CSP-SM offering
- Document an additional 12 months in the role of a ScrumMaster

WHAT WILL YOUR PRODUCT OWNER STORY BE?

Certified Scrum Product Owner® (CSPO®)
Your journey begins with learning to focus on your customer, stakeholders, and organizational product needs.

Advanced Certified Scrum Product Owner (A-CSPO)
Continue your product journey by engaging your stakeholders in order to create a product that truly meets the needs of the customer by exploring advanced techniques in product discovery, visioning, road mapping, refinement and validating product assumptions.

- Hold an active CSPO certification
- Complete an A-CSPO offering
- Demonstrate at least one year in the role of Product Owner

Certified Scrum Professional®-Product Owner (CSP®-PO)
Your story unfolds as you explore and practice advanced techniques for product development and delivery by exploring topics such as scaling, stakeholder engagement and product backlog management.

- Hold an active A-CSPO certification
- Complete an approved CSP-PO offering
- Document an additional 12 months in the role of a Product Owner
