Poll Question

Which Scrum Alliance Certifications do you currently hold?

1. CSM or CSPO or CSD
2. A-CSM or A-CSPO
3. CSP-SM or CSP-PO
4. CAL I or CAL II
5. None of the Above

3

Certification Maintenance/Renewal Requirements

The following SEU requirements and renewal fees went into effect on February 4, 2019:

Certification (Two-Year Term)	SEUs Required	Fee Per Term
Foundational : CSM®, CSPO®, or CSD®	20	$100
Advanced: A-CSMSM or A-CSPOSM	30	$175
CSP®-SM, CSP®-PO, or CSP® Professional:	40	$250

A Note About Multiple Certifications - You will need to submit the full amount of required SEUs for your highest-level certification, but you will only be required to submit half the amount of required SEUs for each certification in a different track thereafter

SEU Calculator

Renewal Requirements

	ScrumMaster	Product Owner	Developer	Leader	Fee	Primary SEUs	Add-on SEUs
Professional	● CSP®-SM	● CSP®-PO	○ CSP®	○ CAL	$250	40	20
Advanced	○ A-CSM℠	○ A-CSPO℠			$175	30	15
Foundational	○ CSM®	○ CSPO®	● CSD®		$100	20	10
	○ None	○ None	○ None	● None			

The current selection requires a fee of $250 and 70 SEUs.

The fee associated with your renewal is based on the highest level certification that you are renewing. The SEU requirement is the Primary SEU amount for the highest level certification. If you have certifications from multiple columns (ScrumMaster, Product Owner, and Developer), include the "Add-on" SEUs for the highest certification from each of the other columns. (There is no extra fee for the additional certifications.)

For example, if you hold CSP-SM, CSP-PO, and CSD certifications, your fee would be for the Professional level at $250 and primary requirement of 40 SEUs. Because you have a second certification at the Professional level, you'd add 20 SEUs and, for the CSD, another 10 SEUs. A total of 70 SEUs and a fee of $250 will renew all your certifications.

Scrum Education Units® (SEU®)

- SEUs follow a 1:1 ratio, where one hour of participation or preparation is equal to one SEU.
- There are six (6) categories of SEUs
  - Category A: Scrum Alliance Scrum Gatherings
  - Category B: Scrum Alliance Courses or Coaching
  - Category C: Outside Events
  - Category D: Volunteer Service
  - Category E: Independent Learning
  - Category F: Other Collaborative Learning

https://www.scrumalliance.org/get-certified/scrum-education-units

6

Category A: Scrum Alliance Scrum Gatherings

- Earn SEUs for participating in Scrum Alliance Global Gatherings, Scrum Alliance Regional Gatherings, Scrum Coaching Retreats, and Scrum Alliance-Sponsored Events, as well as in Scrum Alliance-Endorsed User Group events and activities.
- Presenting, coaching, and attending sessions all count as SEU-eligible activities.
    - Scrum Gathering Austin May 2019 – 24 SEU's
    - Agile Open Events sponsored by Scrum Alliance (3 * 2019 Braintrust ones Nashville, Los Angeles & Des Moines) – 8 SEU's
    - Scrum Users Groups in your area - https://www.scrumalliance.org/community/user-groups

7

Category B: Scrum Alliance Courses or Coaching

- Attending training courses provided by a CST®, such as webinars, recorded training, e-learning, or face-to-face courses (i.e. CAL I, A-CSM, A-CSPO, Scrum@Scale, etc.).
    - Braintrust classes – 16 SEU's
    - Free Braintrust webinars - https://www.braintrustgroup.com/resources/
- Attending training courses provided by a Scrum Alliance® Registered Education Provider (REP).
    - Onsite Scrum Foundations or Scrum Essentials class
- Participating in one-on-one or small-group coaching provided by a CEC or CTC.

8

Category C: Outside Events

SEUs may be earned by participating in other relevant events, other than those sponsored by Scrum Alliance. This includes Agile conferences, regional meetings, training from someone who is not a CST, or a REP course that does not fit in Category B.

- Received face-to-face training outside of Scrum Alliance
- Attended live Scrum/Agile events outside of Scrum Alliance
  - Agile 2019 – August 2019
- Attended user group events outside of Scrum Alliance
- Received coaching or mentoring outside of Scrum Alliance

9

SEUs may be earned by providing *non compensated* professional Scrum services.

You will be asked to affirm that you were not compensated for your volunteer work by your employer or another party.

Category D: Volunteer Service

10

Category E: Independent Learning

SEUs may be earned through various independent learning activities, such as: preparing (but not delivering) presentations; authoring relevant books, articles, or blogs; watching a training video; reading one or two books in depth and then fully describing their benefit to you as a Scrum practitioner.

- Prepared a Scrum presentation (preparation time only, not delivering)
- Authored a book, article, or blog
- Watched a Scrum/Agile training video by an instructor other than a Scrum Alliance CST
- Read a Scrum/Agile book
- Other independent learning

11

Category F: Other Collaborative Learning

SEUs may be earned through a variety of other collaborative learning activities with other Scrum practitioners. Scrum Alliance acknowledges that not all learning fits neatly into the categories above.

This category may not include submissions that belong in Categories B or C; for example, it is not for face-to-face training or events.

Other SEUs will be considered on a case-by-case basis.

- Co-trained with the objective of learning
- Received training via live webinar delivered by any trainer other than a CST
- Other collaborative learning
  - Have you setup an Agile center of Excellence @ work?
